Can you say exclusive access throughout the ship, personal RockStar style riders, upgraded marble clad bathrooms with premium amenities and spaces conceptualized by world renowned designer, Tom Dixon? Then let's talk suites.

**ROCKSTAR SUITES**

**Great Suite**
Relaxing is truly an art form in this suite. The terrace hammock here is the perfect spot to enjoy a nightcap while watching the moon rise and star gaze. Sailors can lose themselves in the massive European king bed while drifting off to the sounds of the ocean waves (or a vinyl record player). Complemented perfectly by brass nautical finishings throughout, there’s also a fully stocked, in-room bar, an indoor Peek-a-Boo shower with an iridescent dichroic glass window and a cozy open air Peek-a-View shower overlooking the sea. The expansive top to bottom marble bathroom featuring the Roomiest Rainshower. Sleeps up to two.

**Charming Suite**
Wrapping panoramic views from the corner of the ship define this suite. Sailors enjoy custom interior wicker chairs and hand-woven hammock chair. After they’ve finished soaking in the views, Sailors can indulge in some classics on their vinyl record player or a drink from the fully stocked, in-room bar. Then they’ll freshen up in the expansive top to bottom marble bathroom featuring the Roomiest Rainshower. Sleeps up to two.

**Brilliant Suite**
Whether a Sailor’s rider specifies 1000 candy bars, a rare aged gin, or a puppy (try us), inner rockers will come alive in this suite. With a view of the European king bed from the indoor Peek-a-Boo indoor shower through a dichroic glass window, the only sensual ritual will be soaking in the views. Sailors can crank up the tunes from the record player, serve up some drinks from the fully stocked, in-room bar then take the party to the terrace to enjoy more stunning sea views while relaxing around the Champagne table. Sleeps up to four.

**Cheeky Corner Suite – Even Bigger Terrace**
Wrapping panoramic views from the corner of the ship define this suite. Sailors will enjoy custom interior wicker chairs in this, “pretty big” terrace (even bigger than the suites beneath it) terrace meant to maximize sea views - in this case, the wake view. Sailors will gaze at the sea while relaxing near the gorgeous outdoor Champagne table or kicking back in the hand-woven hammock chair. After they’ve finished soaking in the views, Sailors can indulge in some classics with their vinyl record player and a drink from the fully stocked, in-room bar. Then they’ll freshen up in the expansive top to bottom marble bathroom featuring the Roomiest Rainshower. Sleeps up to two.

**Serious Suite**
Fully stocked, in-room bar. Check. Record player ready to spin. Fabulous turntable. This suite is ideal for those who are serious about living life to the fullest. With plenty of room to take in the mesmerizing ocean views from any corner, luxury and self-care become serious art forms here. From the hand-woven hammock on the terrace to the outdoor Champagne table and indoor Peek-a-Boo shower, this suite is the perfect place for “little poppin’ and voyage rockin’.” Sleeps up to two.
